Stokke tripp trapp harness installation manual download pdf

3. Important to insert the shallow end of nut first! 2. Insert screws and tighten firmly. • Do not use any accessories or replacement parts not manufactured by STOKKE®; this may affect your child's safety. Consequential damage, for example damage inflicted on any persons and/or any other objects. Tel: 09 8912314. • The serial number of the product not having been destroyed or removed. Attach the two metal crossbars and tighten loosely 4. Rough surfaces (uneven floors), for instance rugs and tiles To prevent the Tripp Trapp® chair from tilting when pushed backwards, it has plastic gliders underneath the legs. It fits your Tripp Trapp® chair both with and without Tripp Trapp® Baby Set. For the period when the chair is used with a harness or the Tripp Trapp® Baby Set, we recommend that you always use it with the Tripp Trapp® Extended Glider. • Do not elevate the high chair on any structure or table. • The product appearing in its original state, hereunder that the only parts used have been supplied by STOKKE® and are intended for use on, or together with, the product. How to invoke the "Extended Warranty": Generally speaking, all requests relating to the "Extended Warranty" shall be made to the reseller from whom the product was purchased. The Baby Set should only be used with the seat plate in the first groove from top of the chair. Tel: +81 3 6222 3630, Fax: • Do not use the chair if any part is broken, torn or missing. • Always use the restraint system when the seat is in one of the top 3 grooves. WARNING! Prevent serious injury or death from falls or sliding out 3 US/CA READ CAREFULLY BEFORE ASSEMBLING YOUR TRIPP TRAPP® CHAIR. Pay special attention to the seat and foot plate - make sure these are properly fastened before you put your child into the chair. CLEANING AND MAINTENANCE Wipe with a clean damp cloth, wipe off excess of water with a dry cloth. Use a tool to remove the clip under the seat plate to detach the crotch strap. • Do not use the chair if any part is broken, torn or missing. Damage caused by accidents/mishaps - for example any other objects having bumped into the product or any person having overturned the product by colliding with it. Pull each arm through the loop formed by the shoulder and waist strap, and place in child's lap. 6. US/CA AU • Follow the manufacturer's instructions • Do not leave child unattended • The Tripp Trapp® Baby Set™ should only be used with the seat plate in the first groove from the top of the chair. The defect will be remedied in accordance with the above provisions if the reseller or a STOKKE® sales representative determines that the damage is caused by a manufacturing defect. This also applies to any secondary or subsequent owner. STOKKE® "EXTENDED WARRANTY" However, STOKKE AS, Parkgata 6, N-6003 Ålesund, Norway, grants an "Extended Warranty" to customers who register their product in our Warranty Database. Registration in the Warranty Database entitles the owner to an "Extended Warranty" as follows: • 7-year warranty against any manufacturing defect in the product. NOTE: Backrest with strap goes into bottom slots. See illustrations on the fold out page, and description below. This is especially important if the chair is placed on a soft carpet and/or at a table where the child can push against a frame underneath the table-top with its feet. After that you should check on and retighten the screws if necessary on a regular basis, e.g. every second month. If the product has been fitted with any accessories that have not been supplied by STOKKE®, the "Extended Warranty" shall lapse. • The product only having been used for the purpose for which the product is intended. Accessories 4 RIGHT OF COMPLAINT AND EXTENDED WARRANTY Applicable worldwide in respect of the chair TRIPP TRAPP®, hereinafter referred to as the product. Consequently, the "Extended Warranty" may be invoked by whoever is the owner of the product any given time, within the warranty period, and subject to the warranty certificate being presented by the owner. • Do not use the chair before the child can sit up by itself. Product information: The chair is made of cultivated beech wood. • Remember to retighten all screws 2-3 weeks after assembly of the chair. Tel: +64 9 4267822, Email: info@vikingimports.co.nz NORWAY Stokke Customer Service Tel: +47 70 24 49 70, Fax: +47 70 24 49 90, Email: consumer.support@stokke.com PORTUGAL Stokke Atendimento ao Cliente Tel: +34 943 130 596, Fax: +34 943 133 201, Email: info.es@stokke.com RUSSIA Stokke Customer Service Tel: +49 7031 611 580, Email: cs.ru.cis@stokke.com SOUTH-AMERICA Stokke Customer Service Tel: +34 943 130 596, Fax: +34 943 133 201, Email: south.america@stokke.com SOUTH-KOREA Stokke Korea Co., Ltd. • If the chair is used with a tray, the tray is not designed to hold the child in the chair. • Upon the "Extended Warranty" being invoked, the warranty certificate shall be presented, together with the original date-stamped purchase receipt. Colours may change if the chair is exposed to the sun. Such product shall be of corresponding quality and value. Upon registration, a warranty certificate will be issued and sent to the customer electronically (e-mail) or by ordinary mail. The restraint system can be removed when your child has reached the age of 36 months AND is able to sit safely on TRIPP TRAPP®. US ES FR AU Shoulder strap Waist strap Crotch strap Assembling Tripp Trapp® extended glider Restraint system operation Seat and footrest adjustment 1 High back 1 Baby rail 2 REMOVAL Assembling Tripp Trapp® Baby Set™ AUSTRALIA Exquira Pty Ltd. 3a Haazmaut st. Safety approval: Tripp Trapp® chair complies with AS 4684:2009 and ASTM F404-14 in combination with Tripp Trapp® Baby Set™. • Do not use the chair unless all components are correctly fitted and adjusted. For a child 6-8 months it may amaze you how small seat they actually need! The seat plate should not protrude more than 1½" (4-5cm) in front of the chair side legs. Place the chair on a level surface. The "Extended Warranty" also applies if the product has been received as a gift or purchased second-hand. Place child in seat. Crotch strap length should be adjusted so that connector is at waist height. Finally tighten all screws firmly in the order given. Slide seat and footrest into slots, with straight edge facing forward. Issues caused by extreme influence from external factors like sun/light, temperature, humidity, environmental pollution, etc. • Do not use with a booster seat. TRIPPTRAPP® is intended for use when your child is capable of sitting upright unassisted (approximately 6 months) • Front of footrest not to exceed front legs of chair at floor level • NEVER use the Tripp Trapp® chair without any glider. 13 AU/NZ FR Important to insert the shallow end of nut first! Es importantes insertar primero el lado poco profundo de la tuerca! Il est important d'introduire le côté peu profond de l'écrou en premier! Important to insert the shallow end of nut first! X10 X6 X1 A B C F 1 4 2 6 3 5 7 8 E D 10 Metal screws 6 Metal nuts 1 Allen key 2 Legs 1 Footrest 1 Seat 2 Curved Backrests 2 Metal backrests 1 Wooden base cross bar Assembling your Tripp Trapp® chair. Documentation/evidence confirming the manufacturing defect shall be presented, normally by way of the product being brought along to the reseller, or otherwise being presented to the reseller or a STOKKE® sales representative for inspection. Thus, the surface should be level, stable and with a certain hardness. • Be careful not to place small items, toxic substances, hot objects, and electrical flexes etc near the chair where your child can reach them, as they may cause choking, poisoning or other injuries. The "Extended Warranty" shall not apply to any accessories that have been purchased or supplied together with the product, or at a subsequent date. • Do not place the chair near an open fire or other sources of strong heat, such as electric bar fires, gas fires etc due to the risk of fire. Generally speaking, STOKKE AS does not grant any additional rights over and above those laid down by the legislation applicable at any given time, although reference is made to the "Extended Warranty" described below. RESTRAINT SYSTEM OPERATION Always use the restraint system when the seat is in the 1st, 2nd or 3rd grooves from the top. To make sure that the gliders function as intended, the chair should be placed on a surface enabling the chair to slide backwards. US/CA USER GUIDE NOTICE D'UTILISATION USER GUIDE INSTRUCCIONES DE USO US CA AU/NZ 2 8 11 5 Tripp Trapp® 2 US/CA • Never leave child unattended • The Tripp Trapp® Baby Set™ should only be used with the seat plate in the first groove from the top of the chair. Such request shall be made as soon as possible after any defect has been discovered, and shall be accompanied by the warranty certificate as well as the original purchase receipt. Attach the base cross bar to the legs (grooves face inside) • Always use the restraint system when the seat is in one of the top 3 grooves • The harness must always be used and correctly fitted - most injuries from high chair are caused by falls • Always keep child in view • Stay in reach of your child. WARNING! Prevent serious injury or death from falls or sliding out 11 AU/NZ READ CAREFULLY BEFORE ASSEMBLING YOUR TRIPP TRAPP® CHAIR. SEAT AND FOOTREST ADJUSTMENT It is important to adjust the depth and height of the seat and footrest to fit the size of your child. Therefore seat is not applicable. Table Be aware of the risk that a big frame under the table top makes it easier for children to push their legs against the table and tilt backwards. The settings of the seat and footrest should be checked as the child grows - at least once a year! The seat plate and the footrest must be supported by the full length of the grooves on the sides (not half way supported). Warning When the footrest is positioned close to the metal rod, there will be a small gap between the inside of the chair legs and the metal rod. Crotch strap comes up between child's legs. • Stay in reach of your child. To further increase the backward stability of the Tripp Trapp® highchair, a replaceable, extended rear glider ("Extended Glider") has been developed for the Tripp Trapp® highchair. Also note that Tripp Trapp® is designed for dining tables 28-30" (72-76cm) high. Cover normal transport costs for any replacement part/product from STOKKE® to the reseller from whom the product was purchased. Damage inflicted on the product by external influence, for example when the product is being shipped as luggage. The STOKKE® "Extended Warranty" does not cover: Issues caused by normal developments in the parts making up the product (e.g. colouration changes, as well as wear and tear). Never try to use excessive force to make the metal rod touch the side legs of the chair as this can cause damage to the chair and/or make it unstable. Make sure the height and depth of the seat and footrest suit the size of your child (see instruction sheets for seat and footrest adjustments in this user guide). Safety approval: Tripp Trapp® chair complies with AS 4684:2009 in combination with Tripp Trapp® Baby Set™ / Tripp Trapp® Newborn Set™ and ASTM F404-14. Footrest Make sure the forward edge of the footrest NEVER exceeds the front tip of the chair legs at floor level. Issues caused by minor variations in materials (e.g. colour differences between parts). • The product having undergone or ordinary maintenance, as described in the maintenance/instruction manual. Parts 10 Metalscrews 6 Metalnuts 1 Allenkey 2 Curvedbackrests 2 Metalcrossbars 1 Woodenbasecrossbar 1 Seat 1 Footrest 2 Legs 1 Warning When the footrest is positioned close to the metal rod, there will be a small gap between the inside of the chair legs and the metal rod. The rights of the customer under the consumer protection legislation applicable at any given time are additional to those under the "Extended Warranty", and are not affected thereby. Attach the two curved back rests. After that you should check on and retighten the screws if necessary on a regular basis, e.g. every second month. Keep the Allen key for future use, but out of the child's reach. This is perfectly normal. We do not recommend the use of any detergent or micro fibre cloth. This may cause the chair to be unstable when a child climbs in and out of the Tripp Trapp® chair. 153000 TRIPP TRAPP Userguide US-AU RIGHT OF COMPLAINT The customer has a right of complaint pursuant to the consumer protection legislation applicable at any given time, which legislation may vary from country to country. Attach each shoulder strap to the crotch strap. Keep the Allen key for future use, but out of the child's reach. This may be done via our webpage www.stokkewarranty.com. • Do not use the chair unless all components are correctly fitted and adjusted. 5. Accessories 12 AU/NZ RIGHT OF COMPLAINT AND EXTENDED WARRANTY Applicable worldwide in respect of the chair TRIPP TRAPP®, hereinafter referred to as the product. Footrest placement Height - The footrest is set at the correct height when the sole of the child's foot can rest flat on the footrest, while the thighs are touching the seat. • Do not use the harness if it shows any signs of deterioration or excessive wear and tear, such as fraying of the straps or cracks in the plastic. • Do not use with a booster seat. The child should be secured in the chair at all times by the restraining system • TRIPPTRAPP® is intended for use when your child is capable of sitting upright unassisted (approximately 6 months) • Front of footrest not to exceed front legs of chair at floor level • NEVER use the Tripp Trapp® chair without any glider. Never try to use excessive force to make the metal rod touch the side legs of the chair as this can cause damage to the chair and/or make it unstable. Uneven and/or rough surfaces, for instance some tiled floors, and rugs/carpets that are soft or with long loose ends, are generally unsuitable for chairs used by toddlers. Child differ in size according to age, so always make sure that your child is seated correctly according to the instructions given in this user guide. • No travel costs on the part of the purchaser are covered under the terms of the warranty. The STOKKE® "Extended Warranty" is conditional upon the following: • Normal use. • Always keep child in view. Moisture will crack stain. • Remember to retighten all screws 2-3 weeks after assembly of the chair. • Always place the chair on a level stable surface and make sure that the chair has space to slide backwards. +81 3 6222 3636, Email: info.jp@stokke.com LUXEMBOURG Stokke Customer Service Tel: +49 7031 611 580, Fax: +49 7031 611 580, Email: info.belux@stokke.com BELGIUM Stokke Customer Service Tel: +49 7031 611 580, Fax: +49 7031 611 580, Email: info.belux@stokke.com BULGARIA, CROATIA, CYPRUS, CZECH REPUBLIC, ESTONIA, GREECE, HUNGARY, LITHUANIA, LATVIA, POLAND, ROMANIA, SERBIA, SLOVAKIA AND SLOVENIA: Stokke Customer Service Tel: +49 7031 611 580, Fax: +49 7031 611 580, Email: info.eu@stokke.com CHINA, SOUTH EAST ASIA Stokke Hong Kong Ltd., 26th Floor, EIB Centre, No. 40 Bonhamstrand East, Sheung Wan, Hong Kong Tel: (852) 2987 8178, Email Hong Kong: cs.hk@stokke.com, Email China: cs.cn@stokke.com DENMARK Stokke Customer Service Tel: +49 7031 611 580, Fax: +49 7031 611 580, Email: consumer.support@stokke.com FINLAND Stokke Customer Service Tel: +49 7031 611 580, Fax: +49 7031 611 580, Email: consumer.support@stokke.com FRANCE Stokke Customer Service Tel: +49 7031 611 580, Fax: +49 7031 611 580, Email: info.fr@stokke.com GERMANY Stokke Customer Service Tel: +49 7031 611 580, Fax: +49 7031 611 580, Email: stokke.de@stokke.com IRELAND Stokke Customer Service Tel: +49 7031 611 580, Fax: +49 7031 611 580, Email: info.uk@stokke.com ISRAEL Shevtov LTD.
